# From the President & Board Chair

Dear Friends,

It is with deep gratitude that we begin this letter. 2014 was a year of tremendous generosity to The Gathering Place from both donors and volunteers. TGP is extremely fortunate to have so many who give of their time, talent, and resources in order to create a place of safety and dignity for those in our community experiencing poverty or homelessness.

As an organization, we embarked on an exciting adventure to increase revenue and support our mission through participation in the Colorado Nonprofit Social Enterprise Exchange. Two staff members and two volunteers attended monthly training sessions to learn how to start a business within a non-profit. Joining seven other non-profit organizations, we gained knowledge, developed skills, and created an effective business plan in order to generate start-up funds. By the end of the fiscal year, we were able to launch Art Restart, our own social enterprise where we mass produce greeting cards designed by TGP artists. Building on the strengths of The Card Project, Art Restart provides the marketplace with a customizable and high quality product, financial support to The Gathering Place, and exposure and royalties for TGP artists. We ended our fiscal year by beginning Art Restart, adding a new source of revenue and new opportunities for our members. Please visit our website at [www.artrestart.org](http://www.artrestart.org) to learn more.

At the same time, we navigated a significant restructure designed to streamline our internal operations. Moving from six departments to three, we significantly reduced our expenses while maintaining essential programs and services. Although saying farewell to teammates (through attrition or lay-offs) is always sad, we were proud that our mission and vision remained at the core of our organizational decision making and that programs and services were preserved.

Also in 2014, the Board of Directors implemented a new board development, recruitment, and on-boarding process in an effort to increase and maintain an inclusive and diverse board. We have added a board training component to our agenda as a means of ensuring that the board is connected to the mission and vision of TGP and can serve as ambassadors in the community. Of particular interest is the intentional extension of trauma-informed care training at the board level to integrate the approach throughout the organization. This training provided our board with a deeper understanding of the impacts trauma has on both individuals and the greater society. One of the results of this training is an increased focus on advocacy by the board. Our Advocacy Committee is now actively engaged with both TGP members and the larger metro community to consider issues and methods of advancing agendas which have the potential to provide relief to some of the challenges faced by the members of TGP. For example, members, the board, and staff of The Gathering Place have been actively following the debate over the cost of public transportation in Denver.

Finally, in 2014 the Board of Directors adopted a team-based fundraising strategy where board members work in small teams toward quarterly fundraising goals. Under the direction of the Community Engagement Department, each team provides support throughout the year for the on-going fundraising efforts of TGP. In addition to an overall board fundraising goal, the Board of Directors had 100% donor participation in 2014.

The support provided by donors, volunteers, civic groups, religious institutions, and the for-profit and non-profit communities has been essential to our success. We are grateful beyond measure to all of you for believing in us and the value of the people we serve. We look forward to our continued connections and our collective inspiration.

Sincerely,

  
Leslie R. Foster  
President

## Community of Support: Desarae's story

Desarae initially visited The Gathering Place in 2012, after hearing about our services from another women in the overnight shelter where she was staying at the time.

On that first day, she entered our doors at 1535 High Street unsure of what to expect. "I was all over the place at the beginning," says Desarae. "Simply trying to figure out what to do. The staff was nice and took time to speak with me about what I needed and how they could help." It didn't take long before Desarae had built up relationships with both the staff and volunteers in the Family Program.

Today, Desarae and her three children come to The Gathering Place at least once a week to eat lunch and pick up diapers. Lareina, Makayla, and Khalil stay in the play area and participate in activities while Desarae uses the internet in the Computer Lab, checks her mail at the Resource Desk, or works on her resume in our Education and Job Readiness Program. The family is currently living with an extended relative and in the process of finding housing of their own. Desarae plans to go back to school in the summer to pursue a degree in Early Childhood Education. Lareina will start kindergarten this fall and Desarae believes that TGP has helped prepare her daughter to have a successful year.

*In 2014, The Gathering Place:*

- Received 59,527 visits from women and 6,509 visits from children
- Handed out 15,700 diapers from our Family Program

## Canstruction Denver stocks Betsy's Cupboard

2014 brought with it a first-time event for The Gathering Place, one that combined art and food in a unique way. Canstruction Denver, showcasing thirteen colossal structures made entirely out of canned goods, ended up raising over 40,000 cans of food!

The free exhibit was featured at the History Colorado Center in downtown Denver and saw the highest number of teams in the city's history participate. Teams competed for six awards and each team helped us make sure that Betsy's Cupboard, our food pantry program, stays well-stocked long after the event ended.

Congratulations to the following winning teams:

- JG Johnson Architects – *The Sleeper House* – Structural Integrity and Juror's Favorite Award
- Gensler Denver and Studio NYL Structural Engineers – *Articulated Wall* – Best Use of Labels Award
- EV Studio – *US Air Force Academy Cadet Chapel* – Best Meal Award (pictured, right)
- Slaterpaul Architects – *Everything is Awesome Lego Character* – Honorable Mention Award
- WARE MALCOMB – *Ending Hunger in all Corners of the World* – People's Choice Award (pictured, left)

*In 2014, The Gathering Place:*

- Distributed 54,818 pounds of food and 2,152 toiletry bags
- Provided 70,571 meals in our dining room

## Employment Skills Fair held at TGP

The Education and Job Readiness Program at The Gathering Place is tasked with managing GED classes and assisting our members in their preparation to search for employment. Instructions around resume building, conducting a job search online, completing employment applications, interview preparation, and networking for employment provide individuals a way to develop key skills and gain confidence as they approach the often-daunting task of finding a job.

Last fall, members of The Gathering Place were offered the chance to test their “job preparedness” skills in the company of actual Human Resources managers. hrCares Colorado, a group that connects the human resources community with local volunteer opportunities, partnered with

our Job Readiness Program to put on an Employment Skills Fair that included over a dozen hiring professionals. These volunteers worked with 27 members of The Gathering Place who participated in mock interviews.

Another session at the Employment Skills Fair focused on how to research a prospective employer online ahead of an interview. The afternoon ended with our members practicing their networking skills with each other and our guests. We look forward to the possibility of putting on other such events in the future.

*In 2014, The Gathering Place:*

*-Offered job readiness support to 613 people and GED study sessions for 95 students*

*-Received 8,803 visits to the Computer Lab*

## Finding herself: Alicia's story

In early 2013, Alicia arrived in Denver from Albuquerque, New Mexico. She had started to drink heavily and abuse prescription drugs in the aftermath of a traumatic divorce following twenty-five years of marriage. “I went through a lot and was in so much pain,” Alicia says. “It was like riches to rags. At that time it was as though I was trying to kill myself.”

Alicia heard about The Gathering Place and came to get help with employment and education. She was introduced to Janice Woodward, Education and Jobs Readiness Programs Manager, and started with GED classes. Alicia found temporary employment through a local staffing agency and used both our meals and clothes from Bridget's Boutique to supplement her budget. Just as importantly, she found in Janice someone to confide in and help her develop a game plan. “I call Janice my mentor,” Alicia says.

“She knew how hard I was working and encouraged me to hang in there when I was frustrated.”

Alicia was referred by Woodward to the Women's Bean Project, a well-known transitional employment program and social enterprise in Denver, and soon began working there. Although extremely busy with a full-time work schedule, Alicia still tries to make it to The Gathering Place to check her mail or chat with staff. “When I first started coming, I was broken, lost, and confused. I am doing so much better now.”

*In 2014, The Gathering Place:*

*-Received 1,774 visits to Bridget's Boutique*

*-Facilitated 673 pro bono mental health counselor visits*

## 2014 BOARD OF DIRECTORS

Britta Evans Miles, Chair	Cynthia Delaney, Secretary	Rachel Allon	Deborah Radman
Geoffrey Bateman, Chair-Elect	Allison Panter, Immediate Past Chair	Chuck Borgman	Christina Saunders
Sue Engle, Treasurer	Bob Alder	Becky Jacobson	Theresa Wardon

The Gathering Place's Board of Directors consists individuals from a variety of community sectors. The board strives to reflect the demographic make-up of the metro-Denver community. Board members are chosen by a nominating committee and elected by the full board to a term of three years. A board member may serve up to two consecutive terms. The board meets monthly and sub-committees meet as needed.
